COLLEGE AWARENESS PROGRAM – PAMPHLET DISTRIBUTION IN HIGHER SECONDARY'S

In order to enroll more number of students in Swayam Siddhi Degree College, the Alumni Association conducted a Pamphlet Distribution Programme in all nearby Junior colleges where the probability of students coming for admissions in the college is maximum. Nearly one thousand pamphlets were distributed amongst the passed-out students. The basic idea behind the Pamphlet Distribution is that, all passed-out students seek for admission in various fields of interest. But sometimes due to lack of awareness and guidance, some of the courses remain untold to them. By conducting this drive, it will be easier to promote the courses and facilities provided by our college to the passed-out students, so that they get correct options to choose for their career.

First Pamphlet distribution drive was conducted in April 2019; second drive was conducted in April 2021 by Alumni Association members. A remarkable increase in the number of students was noted in the academic year 2019 and 2021. As a result, Swayam Siddhi Degree College is now widely known in the neighboring towns. The campaign was solely managed by the Dynamic Alumni Association team.
