COLLEGE CAMPUS REPORT 2017-2018

Adequate physical facilities are provided on the College campus for facilitating teaching learning process. There is optimum use of the facilities available to maintain the quality of academic and other programme on the campus. The management provides budget as per requirement. Miscellaneous maintenance is done by College.

Repair and maintenance of more than 15 computer systems, 1 laptops, 1 printer, in the college is done with the help of laboratory assistants and a resident engineer. The house keeping is managed by Group. There are total 07 staff with one on each floor and separate staff in the ladies" and gents" washroom. The cleaning of the washroom is done every two hours. Corridors and classrooms are cleaned regularly. Necessary maintenance is done by engaging private labour and necessary experts. Maintenance of the infrastructure is taken care of by in house administrator Mr.Kishor Parmar.

The calibration of the equipment is done by the department at the beginning of the academic year. Stock register is maintained yearly. The problem of load shedding is solved by backup of inverter and UPS. For constant water supply, we have our own water-supply system. We have 1 500 Litre water coolers and water purifiers tank for drinking water and 1000 Litre tank for other purpose. Maintenance is done periodically to facilitate uninterrupted functioning of systems/electronic appliances. Fire extinguishers are kept at major places. Separate space earmarked for electric meters. Examination section has been provided with a special purpose Printer and copier. Computers are maintained by an in-house technician Mr. Amol Kapadnis. Each laboratory has an assistant who ensures that the computers are used properly and sensitive information and equipment is handled with care.
