POLICY DOCUMENT ON e-GOVERNANCE:

Technology has been a boon to academic institutions in the field of education, which helps to streamline governance systems and maintain a better quality of education. Good governance can be termed as the ability to address the challenges and need of the current situation. E-Governance policy of an institution is for the purpose of enhancing the system of governance for development of institute through new and advanced technologies. It aims at planning and enabling any infrastructure for the deployment of cutting-edge applications and deployment of solutions for seamless administration of the institution. Swayam siddhi Mitra Sangh's Degree College has designed an e-governance policy with the primary objective of implementing e-governance in various operations, transactions and services of the institution for better efficiency, transparency and accountability. The college prioritize to adopt paperless administration as a green initiative. To ensure green and clean campus, as one of the components of the college, it adopts e-governance in all its management and administrative activities. All stakeholders are oriented and encouraged to practice e-governance. This policy shall apply to the administration, Finance & Account, Student admission, Examination and many such sections of the institute. Having an e- governance system will aid in the integration of all of the institution's stakeholders as well as the automation of many functions. It will also add a layer of transparency to the process. The college management team recognizes the importance of having an e-governance system in place to coordinate the college's administration as it grows into a well-known institution of higher learning. It will aid in the integration of all of the institution's stakeholders as well as the automation of many functions. It will also add a layer of transparency to the process.
